

Girl Scout Silver Award: Project Completion Service Unit 601 – Palo Alto

Upon completion of the Silver Award Project, the girl /“team” should submit this notice of completion to the service unit. It is an electronic “fillable” form. Once completed, print and sign it (each “team” member should sign) and then submit to the Older Girl Advisor or the Leader Support Manager. This ensures the service unit will be able to honor each Cadette Scout who has earned the Silver Award and to keep accurate girl award records. Thank You and CONGRATULATIONS !
